NIVEA is proud to support, encourage and celebrate the SISTER2sister program

“We spend a Saturday together each month.”

Touch is a **deeply personal** sense that connects us all, so NIVEA Creme has always given you and the people closest to you moisturising care and rich protection. NIVEA has been looking after skin for 100 years, making it **beautifully soft to touch** and enhancing those **skin-to-skin moments**.

“She offers me great advice and steers me on the right path.”

NIVEA believes that relationships promote wellbeing and happiness, especially the bond between 'sisters,' which is why they support the SISTER2sister program. This non-profit initiative of the Life Changing Experiences Foundation pairs teenage girls in need of support with a 'Big Sister'. Their relationship is non-judgemental, supportive and teaches self-reliance. For more information about how you can get involved, visit lifechangingexperiences.org
